Our Katrina experience was:

Katrina had take my life away from me. I should have died. I lost my home, my 2 truck, by Katrina. But my life is not the same. My eyes are red from crying. But I will always live. Christmas is still in my heart. And for my family. My the worst time, and they still to survive. The pain from looking at the picture of my home. It hurt. In my life time I hope I never see this again. Pray. lot of love and faith, we make it.

Write something special that you would like Santa to bring you or your family:

Please, tell Santa to get all the children off the street, and put them in a trailer, or home were it warm. Don't leave them in the cold. Give the children a nice big Christmas to them. They need it. They are our future. God Bless them.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
